Wheelchair Backpack

STRONGBACK'S Wheelchair Backpack was designed by our own engineers to accompany STRONGBACK wheelchairs and transport chairs. It's stylish and very accommodating with its large main compartment that is top zipper accessible and has a covered flap to help keep the rain out. The front zippered pocket is the perfect size for a small ice pack and medicine storage. The two smaller pockets are great for keys or snacks. You can keep water bottles and umbrellas easily accessible in the two mesh side pockets. There is also a hidden back pocket that can be used for storing catheter bags or for any items you would like to keep more secure.

All zippers have a large finger loop attachment making it easier for hands that aren't so nimble to open and close. Installation is super easy with the four adjustable buckle straps to keep it snug against the back of the wheelchair. This backpack is made from a durable, water-resistant material with two reflective strips to help with visibility. There is also an elastic strap on the back to help attach it to suitcase handles along with a long shoulder strap for hands-free carrying.

Wheelchair Backpack	
Size	14.17 x 5.11 x 14.17 inches
Weight Empty	1.65 lbs
Suitable for	STRONGBACK - 16", 18", and 20" seat models

Wheelchair Cane Holder

STRONGBACK'S Wheelchair Cane Holder is a small but mighty accessory. Easy, tool-free assembly allows for installations in minutes. The two-piece set comes with a removable insert in the base that accommodates different size wheelchairs, transport chairs, or rollator frames. The hook and loop strap is great for canes up to 1" in diameter.

Wheelchair Cane Holder	
Size	2.75 x 1.125 x 4.6 inches
Suitable for	All STRONGBACK Wheelchair and Transport Chair models

Accessories

Wheelchair Travel/Storage Bag

Protect your wheelchair from dirt and the elements whether you are traveling by airplane or simply storing it in the trunk of your car, closet, or garage. The STRONGBACK Wheelchair bag is easy to carry with reinforced handles and easy to roll with four castor wheels on the hard base bottom. It is constructed with a black quilted and padded nylon material which is lightweight and water-resistant. The protective travel bag is durably designed for frequent travelers and is perfect for air travel. The heavy duty zipper closure is easy to open and close. Easy to clean: the bag can be cleaned with a damp cloth and mild soap if necessary.

Travel Bag Large	
Size	31 x 12 x 31 inches
Weight Empty	7.4 lbs
Suitable for	STRONGBACK 22S, 24 - including AB models

Travel Bag Small	
Size	27 x 12 x 27 inches
Weight Empty	7 lbs
